**Today you are answering the following questions to help your school understand what your life is like. Your answers will help us improve what happens at school and in your classrooms.**

**Please answer the questions as honestly as you can. There are no right or wrong answers; your answers will not be graded or connected to you.** *(Assuring students that their answers are confidential is appropriate at this time).* **Try to answer every question. If a question bothers you or you do not want to answer it, just skip it. Once again, be as honest as you can as you answer the questions.**

**Be sure to use a dark pencil and fill in only one circle per question. If you make a mistake, be sure to erase your answer completely.**

**Please read the directions before each section. Also, please read each question carefully before you respond. You can proceed at your own pace. When you have finished...** *(Tell students what they are to do when they have completed the survey).*
